ENERGY EFFICIENCY PROGRAMS

SCAN ME

Start Saving in Your Home

NIPSCO's energy efficiency programs provide customers with a variety of ways to save energy and money in their homes.

Whether it's recycling an old fridge, installing a new smart thermostat or discovering opportunities to improve energy efficiency in your home, NIPSCO is committed to helping customers improve their energy usage and save money on their monthly utility bill. **Scan the QR code above** or visit **[NIPSCO.com/Save](https://www.nipSCO.com/Save)** to learn more about the programs, eligibility requirements, application process and so much more.

Appliance Recycling

Want to get rid of your old but working/cooling, energy-wasting appliances and earn cash back at the same time? NIPSCO can help! This program rewards eligible customers for recycling qualified dehumidifiers, wall/room AC units, refrigerators and freezers. Depending on your items, our contractor may pick up your working appliance(s) at no additional cost to you, and you'll get cash back in return. Learn more and check your eligibility at: [NIPSCO.com/Fridge](https://www.nipSCO.com/Fridge)

Home Energy Assessment (HEA)

Improve the comfort of your home and lower energy bills with a no-cost Home Energy Assessment. An energy advisor will guide you step-by-step in identifying long-term, cost-effective, energy-saving opportunities in your home. You may even receive on-the-spot installation of energy-saving products such as a programmable smart thermostat, LED lighting and duct sealing. Learn more and check your eligibility at: [NIPSCO.com/HEA](https://www.nipSCO.com/HEA)

HomeLife Energy Efficiency Calculator

Are you looking for easy ways to save energy around your home? Complete the HomeLife Energy Efficiency Calculator online questionnaire to receive a custom list of energy-efficient tips to help save energy in your home. If you qualify, upon completing the questionnaire, a complimentary energy savings kit¹ — filled with energy-efficient products — will be shipped straight to you! Learn more and check your eligibility at: [NIPSCO.com/HLC](https://www.nipSCO.com/HLC)

¹ Kit may vary per customer fuel type.

Home Online Marketplace²

The NIPSCO Online Marketplace is the one-stop shop for energy efficiency. This online storefront makes it simple for you to get instant discounts on energy-saving products shipped directly to your home. Products include: smart thermostats, air purifiers, dehumidifiers, clothes washers and dryers and limited-time energy efficiency kits. Saving energy has never been easier! Learn more and check your eligibility at: [NIPSCO.com/ShopHome](https://www.nipSCO.com/ShopHome)

Retail Products²

Participating retailers offer eligible NIPSCO customers instant discounts on select energy-efficient products to help them save energy and money in their homes. Products include: advanced power strips, air purifiers, select LED lighting, home appliances and so much more. Learn more and check your eligibility at:

[NIPSCO.com/Retail](https://www.nipSCO.com/Retail)

² Items purchased from the Online Marketplace and as part of the Retail Products Program are not eligible for rebates offered through the Home Rebates Program.
